

B4 223R.

SEMI AUTOMATIC RIFLE

In our time we have supplied weapons to many Army's all over the world. Decades of knowledge means we know how to make the best guns in the world; we are reliable, we are appreciated by our customers, we are Breda!

Established in 1886 Breda has the know-how to supply the correct solutions in quality and technology. With our strong name in military weapons we have entered the market with the new B4 223R, semi-automatic rifle.

We have improved the gas-block to create our auto-centring system which is a patented method of perfectly aligning the free floating barrel and the gas porting.
